

## El Rosario Clinic Trip Report

**Report Date:** Jun 24, 2018

### *Tucson Chapter News*

This was the last clinic with Christine Bingham as President of the Tucson Chapter who has certainly done an outstanding job for the last two years.

We voted in new officers and board members during the last board meeting. The new officers of the board are:

<b>President</b>	Richard Razo	<b>Secretary</b>	Bill Hunt
<b>Vice President</b>	Linda Algar	<b>Treasurer</b>	Bob Watson

We now have a new (to us) vehicle at the El Rosario Clinic. Iris Labra and her son, Robert Schommer, drove the 2000 Toyota Sienna down to the clinic the week before clinic.

We are now in our summer break and will resume clinics starting in September.

We are also in the planning stages for renovating the El Rosario clinic building. We're gathering information on the present size of the clinic and getting ideas on how to use the space we have more efficiently and possibly adding more rooms. The members immediately responsible for this project are: Scott Farris, Carl Foster, Diana Osborne, Wally Austin, and Bill Hunt.

### *Corporate News*

The Flying Samaritans Arizona Corporation is the corporate parent of the Tucson and Phoenix chapters. The corporation holds the 501 (c) (3) certificate giving us a non-profit status. It is also responsible for the bylaws which govern the operations of the chapters.

The corporation held its biannual elections in June and elected new board members. The new members are:

<b>President</b>	Bill Hunt	<b>PHX Director</b>	Kevin James
<b>Vice President</b>	Lisa Whitaker	<b>PHX Director</b>	Lauri Johnson
<b>Secretary</b>	Donna Brown	<b>TUS Director</b>	Hunter Nash
<b>Treasurer</b>	Lydia Ortiz	<b>TUS Director</b>	John Osborne
<b>PHX Director</b>	Charlie Brown	<b>TUS Director</b>	vacant
<b>PHX Director</b>	Kevin Collins	<b>TUS Director</b>	vacant

## A Trip to Copper Canyon

Hotel Divisadero Barrancas

The Corporate's Board next meeting will be held at the end of January. Occasionally the board holds meetings in some very nice resort type areas and encourages members of both chapters to attend. The meeting in January is such a meeting. Being held in the Copper Canyon of Mexico, it includes the train ride from El Fuente to El Divisadero. We'll be staying at the Hotel Divisadero Barrancas, which is built into the side of the canyon. This is a wonderful trip and adding to the great scenery you'll also get a chance to meet other Flying Samaritans members from both chapters. I would like encourage you to go.

More information will be coming out about this trip later in the year.

## Time Zones and Daylight Saving Time:

Baja California will be observing Pacific Daylight Time on our next clinic, scheduled for September 14. That makes them the same time as Arizona. So 10:00 on your watch is 10:00 in El Rosario or San Quintin. Remember, most cell phones are set to automatically show the local time.

Pilots need to remember the San Felipe Airport ALWAYS opens at 0800 Arizona time. San Felipe adjust their hours to make this happen.

## Friday, Jun 8, 2018

We had five airplanes this trip and all arrived at the Robertson's Ranch airstrip around 10:00 Friday morning. We used all three vans to get everyone and the equipment to the clinic in El Rosario. We had the clinic opened by 11:00.

There was a crowd waiting for us, so we got the clinic working as soon as we could. Scott Farris took up triage and was handling the patients while Linda Algar, Ken Reed, Mark Dreyer, Kristen Dreyer, Jenny Mai, Jonathan Light and Lydia Ortiz got dental running.

Medical was manned by Rita Dransoff, Kay Lehman, interpreter Monica Zolna, and pharmacist Clarris Sema.

Dee Dee Rogers was a floating interpreter and assistant in both medical and dental.

Initially the pilots, Steve Klafter, Richard Whitaker and me just needed to wait until something broke. We didn't have to wait long.

After everyone got settled in, I took lunch orders and picked up lunch for everyone from Mama's Restaurant. It was just a short time later that we ran out of water. This really shouldn't have happened, but before we could figure out why the waters was gone we needed to get more so we could continue helping the patients. I made arrangements to have a water truck come by and fill the cistern. Even with a leak somewhere in the system, that was enough water to get through the day.

Scott designed new triage forms which turned out to be a great help, giving patients some idea of where they stood in line.

### **Saturday, Jun 9, 2018**

After having breakfast at Mama's we got the clinic opened at 09:10. The crowd was smaller, but the dental was busy every minute of the day. Medical sort of had spurts of activity.

Eventually we closed the clinic around 5. Looking at the numbers this was the highest patient count clinic for the year. This was largely due to having two dentist working constantly on both days.

Saturday evening some of the group ventured out to a new restaurant that came highly recommended to us. The restaurant, Ecucipto Bar and Grill, located near the Old Mill Restaurant, was very good. Certainly worth a return visit.

### **Sunday, Jun 10, 2018**

We departed the hotel at 8 and were airborne around 9 for the trip home. Good winds made for a smooth fast flight.
